

Loggos Complex

Location Located right at the hill above Loggos village and its bay, just above the old soap factory in the village.

Description This complex consists of one villa and 3 studios, 2 of them attached and the 3rd is separated.

Main Villa (260 m ²)	Each Studio (50 m ²)
3 x bedrooms Living room/raised dining area/kitchen/bar 1 x bathroom and 1 WC Fire place Sea view Private terrace Parking area	1 x bedroom with its own bathroom Living area Dining area Kitchen Private terrace Sea view Parking area

View Spectacular views over Loggos Bay and all across the Greek mainland. Great sunrise views all around.

Garden An area of land consisting largely of olive groves provides opportunity to create some wonderful secluded spaces and outside areas.

Access Access is via the main road to and from Loggos leading in to a private driveway.

Neighbours The property is located on the edge of Loggos village, therefore there are surrounding houses, however no direct neighbours.

Possibilities There is a basement underneath the main villa of 130 m² which can add space to the villa. Swimming pool can be added. Great rental potential.

Land Size	2.000m ²
Building Size (Total)	410 m ²

Price: 1.550.000€
